Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 26.10.26

Dear Parents,

It was lovely to see everyone back after the holidays and hope you had a restful break with your families. We look forward to another busy half term ahead.

We are pleased to inform you that if your child missed their school photo before the holidays, there is an opportunity to take part in a catch-up session on Monday 26th of October. Any students wanting to have their photo taken must be in full school uniform.

Thank you to all parents who attended our parent teacher meetings, we appreciate you making time to discuss your child's progress and how best to support them. Our Arabic and Islamic teachers will be available for parent teacher meetings wb 26.10.26. More information will follow via email.

We are aware that your children enjoy taking part in new trends including the purchase of toys such as squishies, however please be aware that toys should not be brought to school to avoid distractions in the classroom

Our AAESS Values Focus

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan and in line with British values, we will focus on the value of **Tolerance** in Term 1.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Understand that we are all unique and have something valuable to offer
- Accept and appreciate differences
- Understand and support each other if mistakes are made

Year 3 Learning this week

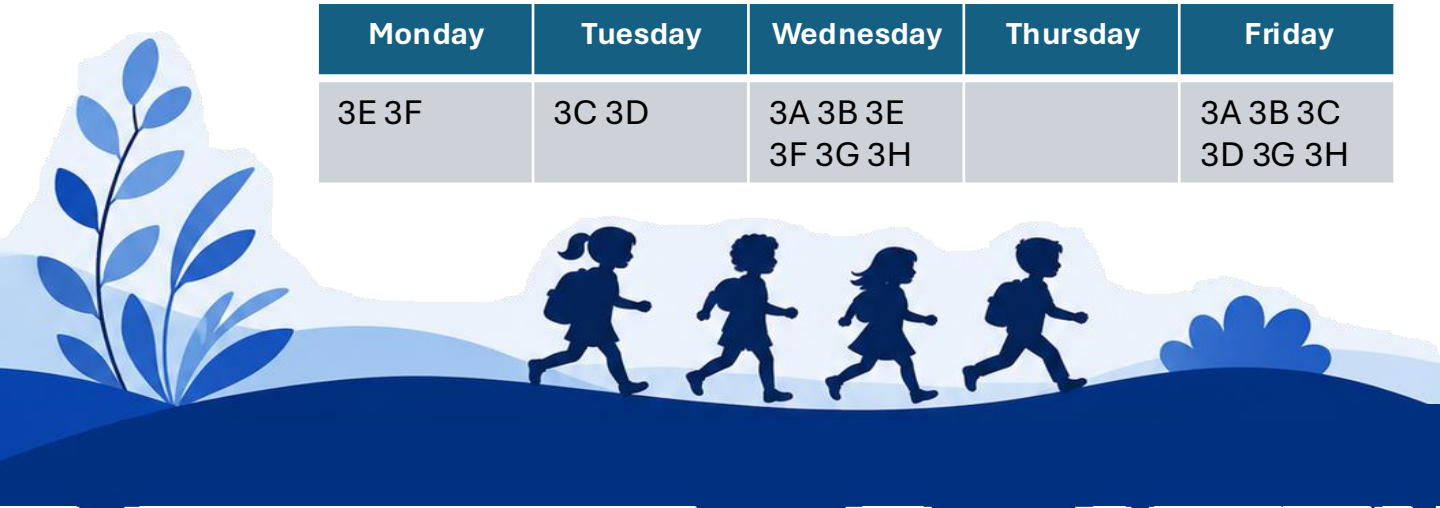

Week beginning: Monday 26th October 2026

This week, we will

English	This half term, we will be focusing on persuasive advertising, exploring the key features that make adverts engaging and convincing. We will begin by learning about alliteration and catchy slogans. We will explore examples of persuasive language and discuss how advertisers use exciting words and phrases to encourage people to visit a place or try something new.
Maths	This week the children will learn how to use column addition and subtraction. Firstly, adding a 3 digit and 2 digit number together (crossing the 10s), then adding a 3 digit and 2 digit number together (crossing the 100s). Finally subtracting a 2 digit from a 3 digit number (with no exchange) and subtracting a 2 digit from a 3 digit (crossing 10s).
Science	We will recap the life cycle of a plant, focusing on the different stages of growth and putting them in the correct order, from seed to fully grown plant. We will then learn about seed dispersal and explore the different ways seeds are spread to new places, including by wind, water, animals and through the bursting of seed pods.
Integrated Curriculum	The children will learn about the history of Al Ain and how the city has developed over time. In Art, the children will explore the UAE's national flower and cacti, learning how to draw and colour them using a range of artistic techniques.
