Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 02.11.26

Dear Parents,

On Tuesday 3rd November, AAESS will be joining the rest of the UAE in celebrating UAE Flag Day. A day where we can all raise the UAE flag as an expression of unity and belonging. To celebrate this special day, children are invited to attend school wearing a plain coloured top in either Red, White, Green, or Black as well as bringing in a small flag for them to wave with pride. To further celebrate the special day, we are planning to gather groups of children to recreate the UAE flag.

Throughout the year we will have numerous events and workshops scheduled for the term and encourage you to participate. Please refer to the upcoming events section each week to ensure you stay informed and do not miss any of the important dates or times shared.

Punctuality is equally as important as attendance. Please ensure your child enters the school each day ready for the National Anthem being played at 7:30am promptly. Any primary students arriving after 7:40am will be required to sign it at reception.

Our AAESS Values Focus

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan and in line with British values, we will focus on the value of **Tolerance** in Term 1.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Understand that we are all unique and have something valuable to offer
- Accept and appreciate differences
- Understand and support each other if mistakes are made

Year 3 Learning this week

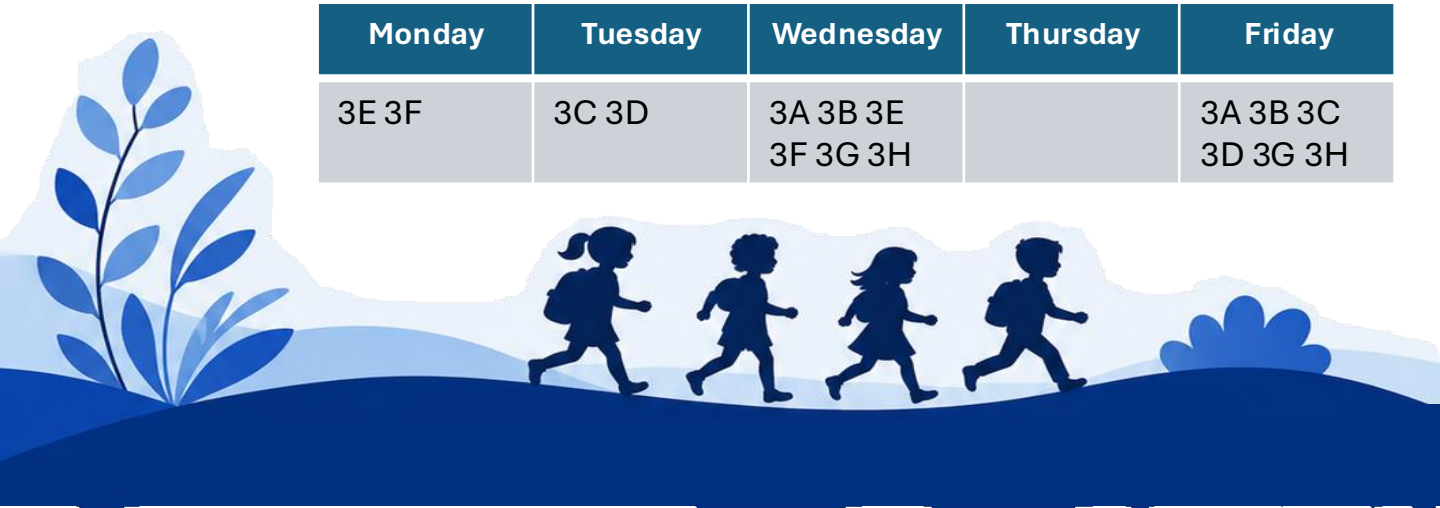

Week beginning: Monday 2nd November 2026

This week, we will

English and phonics	We are continuing our focus on persuasive adverts this week. The children will be exploring the types of vocabulary and punctuation that make adverts powerful and convincing, as well as identifying the key features that make a great advert. As part of our Talk for Writing approach, the children will also be performing and learning our class advert about Al Ain Zoo, building their confidence in spoken language while deepening their understanding of persuasive techniques. In phonics, we will be teaching 'u' spelt with 'o' sound and 'ey' sounds.
Maths	In maths we will begin column subtraction. Subtracting a 2 digit number from a 3 digit (crossing over 100), subtracting a 2 digit number from a 3 digit (crossing over 10) and the children will be taught how to answer a range of word problems for addition and subtraction.
Science	In science we will continue to look at the different ways seeds disperse. For example: Wind carries light seeds like dandelion, while water floats seeds like coconuts along rivers and oceans. Some seeds hitch a ride on animals by clinging to their fur, and others are eaten inside fruits and later dropped in animal droppings. The children will also learn about pollination, where pollen moves from the male part of a flower to the female part, either carried by insects visiting flowers for nectar or blown by the wind, and once this happens a seed can form and the whole cycle begins again.
Integrated Curriculum	This week we are exploring the fascinating world of desert environments. The children will be learning about how an oasis forms and they will discover the plants and animals that depend on this precious water source. In art, the children will be bringing the desert to life by creating their own beautiful desert silhouette pictures. First painting a vibrant background and then creating silhouettes of palm trees and camels from black paper to complete their scene.
