

Al Ain English Speaking School

Year 4 Learning Pathway

Week beginning: 5.10.26

Dear Parents,

It has been great to see so many students arriving to school ready to learn this week, showing they are real STARS - Strive To Attend Regularly = Success.

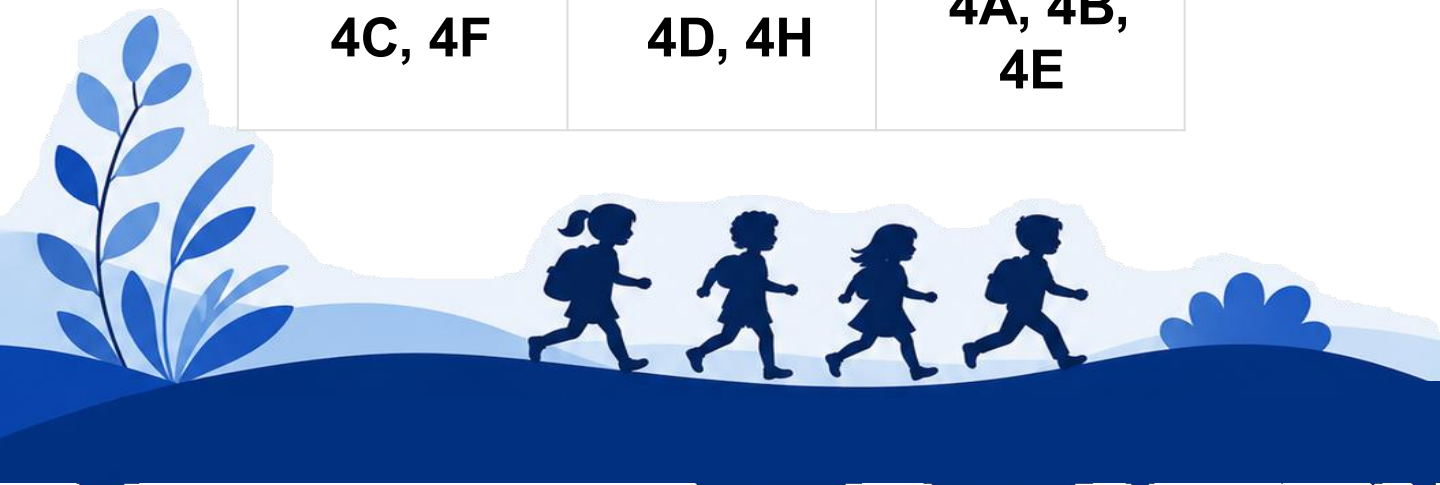

Every day in school gives children valuable opportunities to learn, belong and make progress. Regular attendance helps children build strong relationships, develop routines and keep pace with their learning.

Punctuality is equally as important as attendance. Please ensure your child enters the school through gate B before 7:30am each day ready for the National Anthem being played at 7:30am promptly. Any primary students arriving after 7:40am will be required to sign it at reception.

This year's school photos will continue this week for any primary child who has not yet had their photo taken. Please refer to the table below to find your child's selected day.

Our AAESS Values Focus

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

Year 4 Learning this week

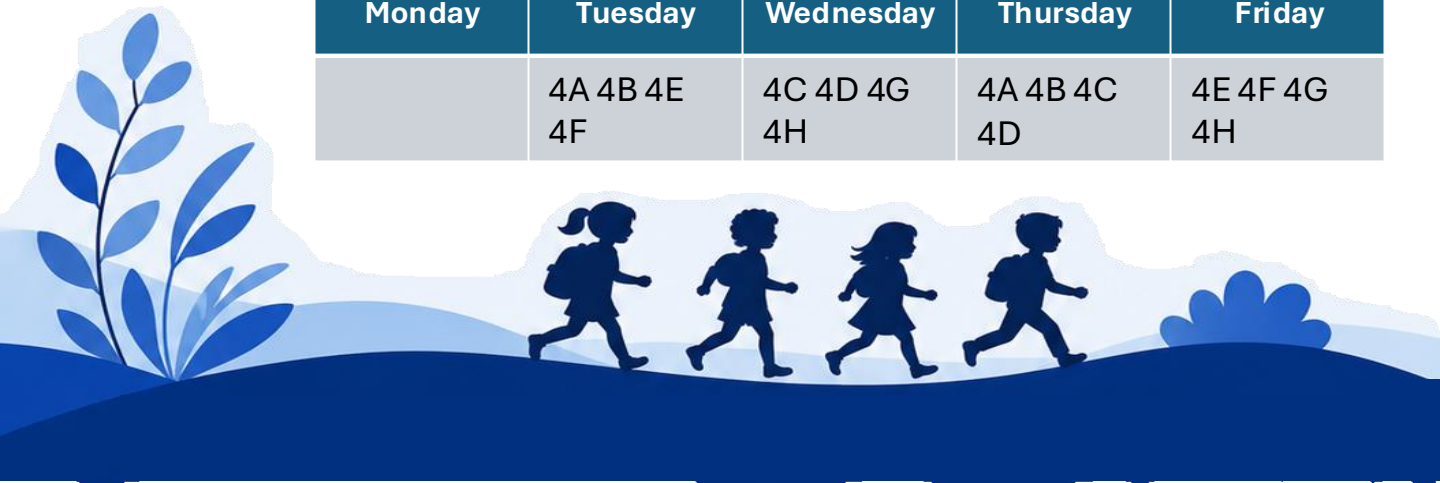

Week beginning: Monday 5th October 2026

This week, we will

English	In English, we will be concluding on our work that we have been doing this term. We will be using the different features of a story opening to write our own. Using expanded noun phrases, fronted adverbials, and paragraphs, the children will be writing their own story opening about a superhero.
Maths	In Maths, the children will be building on their learning of addition and applying it to subtraction. Using the column method, the children will learn how to subtract 4 digit numbers with more than one exchange. They will use these skills to answer worded problems.
Science	The children will be consolidating the work that they have done this term on living things and their habitats. They will be going over their work on; types of living things; adaptations and human impacts on the environment around them. We will not be doing our hot task next week.
Integrated Curriculum	We will be evaluating our topic on Al Ain Defenders. Using the knowledge that we have learnt about reducing our energy usage and renewable energies, the children will be creating their own eco-city. They will need to bring in boxes, water bottles and any other recyclable things from home that they can use to create their city.

Upcoming Events

Monday 5th October – 7th October

2026-2027 school photos will be taken during the week beginning Monday 5th October. An email with the dates for each class has already been emailed.

Monday 12th October – 16th October
Mid Term Break

Wednesday 21st October – Thursday 22nd October

Parent Teacher Meetings. More information and sign up emails will be sent out closer to the date.

School Photos – 1st – 7th October

Please ensure that your child arrives at school wearing the correct school uniform and looking their best on the day of their photoshoot.

Each child will have an individual photograph taken. These individual images will then be carefully combined to create the class group photograph, so it is especially important that all children are dressed correctly and consistently.

Sibling photographs are also available and can be booked using the link provided in the flyer below.

Student Health and Wellbeing

Wellbeing Wednesday

ACTION:

Try to find a way to add more movement into your day, in a way that works for you.

Walk, stretch, dance, play a game, take the stairs or simply get up and move.

WHY IT MATTERS?

Movement is one of the simplest ways we can care for our wellbeing. It can energize us, clear our minds and help us feel good. As we look ahead to Global Be Well Day on Friday, let's make movement part of our day.
