Al Ain English Speaking School

Year 4 Learning Pathway

Week beginning: 02.11.26

Dear Parents,

On Tuesday 3rd November, AAESS will be joining the rest of the UAE in celebrating UAE Flag Day. A day where we can all raise the UAE flag as an expression of unity and belonging. To celebrate this special day, children are invited to attend school wearing a plain coloured top in either Red, White, Green, or Black as well as bringing in a small flag for them to wave with pride. To further celebrate the special day, we are planning to gather groups of children to recreate the UAE flag.

Throughout the year we will have numerous events and workshops scheduled for the term and encourage you to participate. Please refer to the upcoming events section each week to ensure you stay informed and do not miss any of the important dates or times shared.

Punctuality is equally as important as attendance. Please ensure your child enters the school each day ready for the National Anthem being played at 7:30am promptly. Any primary students arriving after 7:40am will be required to sign it at reception.

Our AAESS Values Focus

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan and in line with British values, we will focus on the value of **Tolerance** in Term 1.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Understand that we are all unique and have something valuable to offer
- Accept and appreciate differences
- Understand and support each other if mistakes are made

Year 4 Learning this week

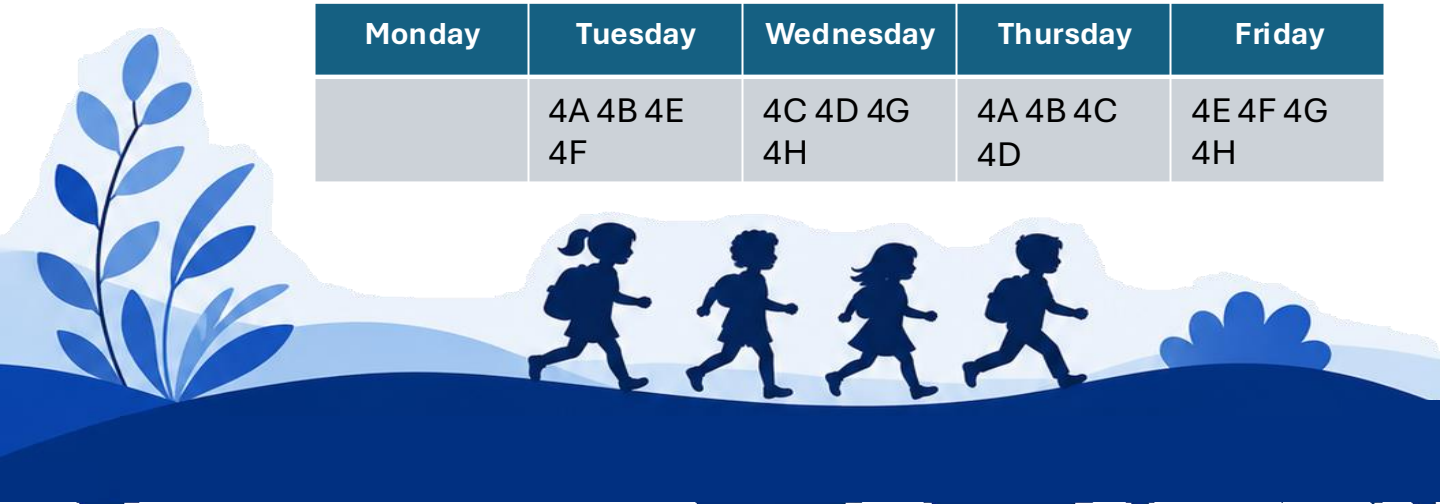

Week beginning: Monday 2nd November 2026

This week, we will

English	We will be diving deeper into learning about a biography and how it is a non-fiction piece of text. The children will be learning about how it is an information piece of text and it needs to be written in a factual manner. They will be learning about the difference between fact and opinion and how they can use them in their own writing.
Maths	In maths, the children will be building on their multiplication skills and learning about how to multiply a number by 1 and 0. They will then link this into learning about how to divide a number by 1 and itself before moving on to multiplying 2-digit numbers by 1 digit number using the Grid method.
Science	To continue our learning on the digestive system, we will be exploring the role of the large intestine and the small intestine. We will learn about the function of these 2 organs and how they are involved with creating energy for the human body.
Integrated Curriculum	In Topic, we are going to be learning about the different types of bridges. We will be investigating how they have been designed and ehy they have been designed in that way. We will then learn about the different bridges in Abu Dhabi and some different bridges around the world.

Student Health and Wellbeing

Wellbeing Wednesday

ACTION:

Choose a healthy, balanced snack or lunch that keeps you feeling satisfied and energized throughout the school day. Try adding some colourful fruit or crunchy vegetables.

WHY IT MATTERS?

Healthy eating supports brain development, strengthens our bodies and helps us grow. Choosing foods that nourish us is a simple way to look after ourselves and support our overall wellbeing.
