

Al Ain English Speaking School

Year 6 Learning Pathway

Week beginning: 5.10.2026

Dear Parents,

It has been great to see so many students arriving to school ready to learn this week, showing they are real STARS - Strive To Attend Regularly = Success.

Every day in school gives children valuable opportunities to learn, belong and make progress. Regular attendance helps children build strong relationships, develop routines and keep pace with their learning.

Punctuality is equally as important as attendance. Please ensure your child enters the school through gate B before 7:30am each day ready for the National Anthem being played at 7:30am promptly. Any primary students arriving after 7:40am will be required to sign it at reception.

This year's school photos will continue this week for any primary child who has not yet had their photo taken. Please refer to the table below to find your child's selected day.

Monday 5th October	Tuesday 6th October	Wednesday 7th October

Contacting Year 6 Teachers

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. Please bear in mind that they will be teaching or in meetings during the school day (7.30am - 2.30pm) so will not be able to respond straight away.

Our AAESS Values Focus

Respect

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan we will focus on the value of **Respect** this term.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Demonstrate respect for their friends, their families and all school staff
- Celebrate different skills, achievements and interests
- Speak appropriately when communicating with others

Year 6 Learning this week

Week beginning: Monday , 5th October 2026

This week, we will

English	Next week, we will continue innovating our class text: Workhouse Shadow and begin planning our own suspense stories.
Maths	Next week, we will focus on multiplication and division, including multiplying up to 3-digit numbers by 2-digit numbers and practising single-digit division. We will then begin moving towards long division.
Science	This week in science, pupils will be getting hands on by completing a an experiment investigating how we can minimize the spread of bacteria. This will be followed by a mid term assessment.
Topic	In IC, we will continue exploring different climates around the world, with a particular focus on comparing arid deserts and cold deserts. We will investigate their key features and consider how plants, animals and people adapt to survive in these challenging environments.

Student Health and Wellbeing

Wellbeing Wednesday

ACTION:

Try to find a way to add more movement into your day, in a way that works for you.

Walk, stretch, dance, play a game, take the stairs or simply get up and move.

WHY IT MATTERS?

Movement is one of the simplest ways we can care for our wellbeing. It can energize us, clear our minds and help us feel good. As we look ahead to Global Be Well Day on Friday, let's make movement part of our day.
