Al Ain English Speaking School

Year 3 Learning Pathway

Week beginning: 09.11.26

Dear Parents,

It was lovely to see the children waving their flags so enthusiastically and respectfully on Flag Day. The day reinforces the spirit of national unity and belonging among UAE citizens and residents. Plans are now under way for our National Day celebrations on **Friday 27th November**.

Please look out for a sign-up sheet should you wish for your children to participate in the celebrations.

It's a busy and exciting few weeks ahead! We have lots of activities and events planned before the winter break, so please check the Upcoming Events section of this newsletter to see what's coming up.

We are aware that your children enjoy taking part in new trends including the purchase of toys such as squishies, however please be aware that toys should not be brought to school to avoid distractions in the classroom

Contacting Year 3 Teachers

We are always happy to support in any way we can, so if you have any questions or concerns, please send your child's class teacher an email (see addresses below).

When contacting staff please remember they are expected to read emails daily (Monday - Friday) and respond within 24 hours. Please bear in mind that they will be teaching or in meetings during the school day (7.30am - 2.30pm) so will not be able to respond straight away.

Important Information

- Gates will open promptly at **7.05am** (Monday - Friday).
- The National Anthem will play at **7.30am** every day.
- Pick up for Year 3 is: **2.30pm** (Monday - Thursday) or **3.20pm** (After ECAs).
- Pick up for Y3 is: **11:30am** on a Friday.

Our AAESS Values Focus

Inspired by the legacy of the founding father, Sheikh Zayed bin Sultan Al Nahyan and in line with British values, we will focus on the value of **Tolerance** in Term 1.

Our expectations are that students will:

- Show respect for the thoughts and opinions of others
- Understand that we are all unique and have something valuable to offer
- Accept and appreciate differences
- Understand and support each other if mistakes are made

Year 3 Learning this week

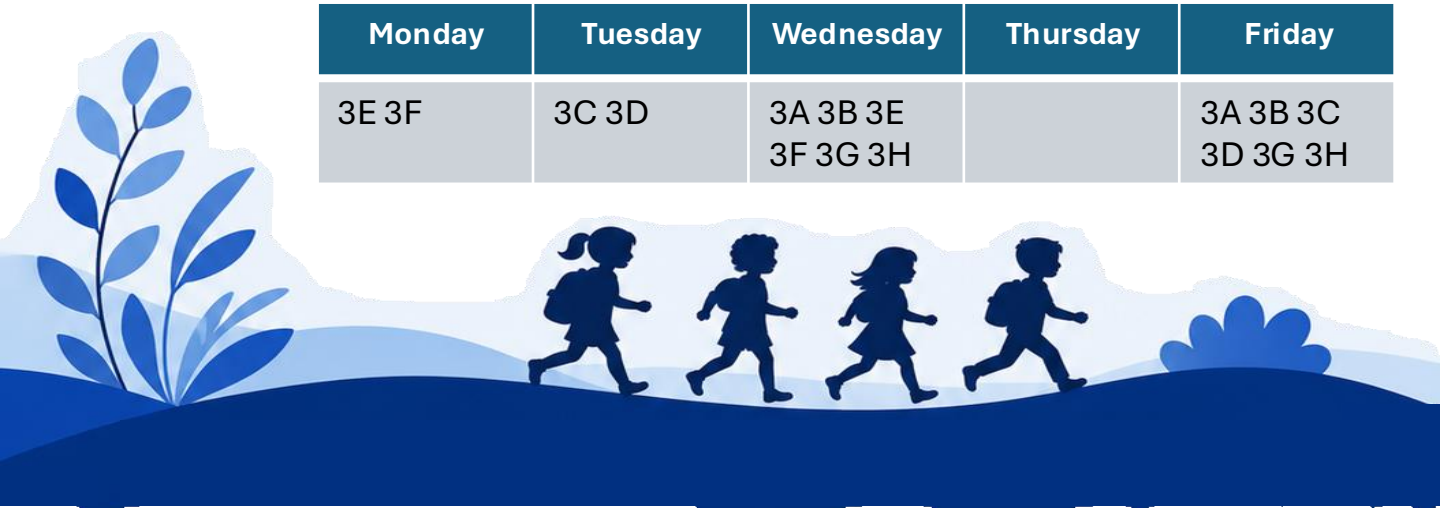

Week beginning: Monday 9th November 2026

This week, we will

English and phonics	In English, we will explore alliteration and discuss the advantages and disadvantages of adverts. We will look at the punctuation used in adverts, then put our learning into practice by writing our own creative piece. In phonics, we will learn two spelling patterns. First, "wa" often makes an "o" sound, as in want, wasp, swan and quantity. Second, "wor" makes an "er" sound, as in worm, word, world and work.
Maths	In maths, we are exploring multiplication and how it connects to equal groups. We will begin by learning about arrays: how to draw them and how to interpret them. We will also practise counting in 2s, 5s and 10s, and learn how to multiply by 10.
Science	In science, the children will take part in a pollination investigation. They will start by predicting what they think will happen, then carry out the investigation and evaluate the outcome. Our key question is: how do animals help plants with pollination? The children will predict how the pollen will be transferred. Working in groups, they will look closely at a flower, dip a pretend bee into the first flower, move it to a second flower and dip it in there too. They will observe what happens and record their findings.
Integrated Curriculum	This week, our focus is on oil in the UAE and the problem of over-consumption. The children will learn why oil has been so important to the UAE and how it has helped the country grow. In art, we will connect this theme to our creative work. The children will explore how to create a piece of artwork using wax crayons and water colours, and they will also create art using oil pastels.
